NEW KEYNOTE

What They Say About You When You're Not in the Room

Your reputation is decided in meetings you're not part of: talent reviews, promotion calls, project staffing. Stephen shows people how to shape that conversation before it happens, with practical visibility strategies drawn from 25 years of developing leaders at Fortune 500 companies.

MORE KEYNOTES

- **The 5% Zone:** The mindset to be more visible in the moments with senior leaders that count most
- **Developing a Global Mindset:** Stand out and be remembered on a global stage (GEM™)
- **Positively Negative:** How to turn negative messages into positive ones
- **The Authenticity Trap:** Don't let authenticity limit your impact at work
- **Winning in the Work World:** Visibility strategies for students and early-career talent
